

Found dog!!!

**Young male Yorkie, I think neutered already,
ca. ½ year old, not microchipped, no collar; found in the parking lot of
University Baptist Church, 700 S Oakland Ave, on 9/7/2011 at 8 p.m.
Been outside for several days. He's used to being loved and petted,
and enjoys riding in the car, and also walks on the leash nicely now.
Likes cats and is shy with other dogs; is afraid of big dogs.**

**Hello mommy or daddy,
will you pick me up at Christina's, phone (618) 457-7803, please? I was
washed, groomed, fed, and had a flea bath and Frontline, and can
sleep indoors, but you're probably missing me!!!**
